Response to telephonic restriction requirement

On Thursday, June 7, Examiner telephoned Applicants' attorney and indicated that she believed that the claims that a former Examiner in the application should have named in her restriction requirement of 3/1/1 were claims 1-7, 9-20, 24-47, 53-95, and 100-111. Applicants' attorney hereby accepts Examiner's analysis of the claims and elects the above-listed claims for examination. The remaining claims 21-23, 48-52, and 96-99 are cancelled without prejudice. Claim 8 was previously cancelled. No fees are believed to be required by way of this election. Should any be required, please charge them to deposit account number 50315.

Respectfully submitted,

Gordon E. Nelson
